Specific information about each club will be available on permissions slips. Most clubs meet on Tuesdays and/or Thursdays and late buses are provided only on these two days. Late buses depart Hartford at 4 pm and drop off students in general locations in each neighborhood, which may not be your child's usual stop. Parents may pick up students after clubs, but must be at the school by 4 pm. When a club is forming, students will be notified during morning announcements and through the PowerSchool Daily Bulletin. Club permission slips will be available in the school cafeteria and on the website only while the club is accepting members. We encourage students to only participate in one club per season. Lack of participation/attendance may forfeit a student's membership in the club.
