---

Dear Parents,

This letter is to notify you that when your child enters Grade 6, according to NJ State Law they must receive one booster dose of the Tetanus, diphtheria, and pertussis (**Tdap**) vaccine and one dose of **Meningococcal** vaccine.

If your 5<sup>th</sup> grade student has not yet received the **Tdap** and **Meningococcal** vaccines, he or she will likely be receiving them during their 11-year-old wellness visit. Documentation must be sent in to the school before September. Any child who turns 11 after September will have two weeks to obtain their immunizations.

All students must be in compliance with NJ Immunizations regulations **or they will be excluded from school in September.**

It is recommended that you speak with your physician about scheduling your child to receive these immunizations as soon as possible. The form on the reverse side of this letter can be used for documentation and returned to Hartford School, attention Health Office.

If you have any questions, please call the school nurse, Lisa Doulong, at 856-231-5899x3.

Sincerely,

Marques Stanard  
Principal

**PLEASE RETURN (OR FAX) THIS FORM TO YOUR  
SCHOOL NURSE AS SOON AS THE IMMUNIZATIONS ARE  
RECEIVED (fax# 856-222-1221)**
