

5TH AND 6TH GRADE

Week 1: All Creatures Great and Small

All hands on deck! This round floor discussion will allow the children to investigate, explore, and discover the individual animals of the learning center. We will meet and greet an amphibian, a reptile, a mammal, a bird, and like always at vets in training, there will be a few surprises!

Week 2: Owl Pellet Dissection

The scoop on poop—a discussion on poop and why it's important! Students will end the fun and explore a dissection activity of Owl Pellets. Children will be fascinated by what they discover!

Week 3: Wellness Exams

Teddy Bear's annual exam! Gear up in your doctor clothes, as we learn the basic tools and rules to doing a great physical exam. Children will take home their own kit to continue the fun at home! Animal visitors will be present to help the children hone their doctor skills.

Week 4: Animal Nutrition

Eating is fun! Who says pets can't eat human food? Join us as we discuss the importance of nutrition and how to make nutritious and easy treats for our companion animals. We will make homemade and nutritious ice cream for dogs, exciting snacks for the chickens, and more!

Week 5: Close Encounters of the Animal Kind

Children love getting up close and personal with animals. This session will teach children the dos, don'ts, and how to's for meeting, greeting, and loving pets.

5 Sessions for \$100.00
