

Welcome **Hartford & Harrington Families!**

Our **PTO** subscribes to the MySchoolAnywhere service for email communications and rsvp/sign ups. It's secure, easy to use, and free to families. We are NOT creating a printed directory.

Please remember to register your children who attend both schools. Please include their grade. Any personal information is up to you what you want to publish or keep private. ***The purpose of the information is for PTO use only***

If you haven't registered, please go to the site below, enter our school's code and follows the steps to register your family. You can specify what information you'd like to appear in the directory - or choose not to appear at all.

Returning Families - If you're already registered, you will receive an email asking you to update your family information and display preferences for the new school year. You do not need to register again unless you don't get the email.

Register at join.myschoolanywhere.com

Invitation Code: [joinhhspto](#)

(To find your account's join code: login to your account and go to Account Settings / Data Collection and the website link and join code page)

Once we've had a chance to verify your family information, you'll receive an email with login credentials and instructions to access the system.
