

Ronald McDonald House

Soda Tab Collection

Hartford School is helping The Ronald McDonald House by collecting soda tabs to help families of sick children. The Ronald McDonald House provides a place for families to stay while their loved one is in the hospital.

Soda tabs help The Ronald McDonald House buy food and necessities for the families staying there.

- 5th graders can bring their tabs to A212 and A217.
- 6th graders can bring their tabs to B210.
- There will also be a collection bin on the table in the Lobby.

We will be collecting soda tabs until June 1, 2022.
